## About the College

Indira Gandhi Govt. College, Tezu, established on 2nd October 1986, has been a model centre of higher learning and research in the eastern region of Arunachal Pradesh. Being a unique initiative in field of higher education, this institution aims to emerge as a vital educational hub devoted to both qualitative teaching and research. In recognition to its multi-dimensional potentialities as well as academic achievements, NAAC has accredited our college with B+ grade in 2006 (Cycle-I) and B++ grade in 2016 (Cycle-II).

The college is recognised by UGC, New Delhi and affiliated to Rajiv Gandhi University, Doimukh, Itanagar. It offers 3years undergraduate programmes (consisting of six semesters) in Arts, Commerce and Science in an intellectually vibrant as well as liberal, lively and competitive academic environment. Apart from classroom teaching, the college builds student skills in areas like scientific inquiry, problem-solving, analytical and communication skills, and workshop as well as seminar practices.

## About the Webinar

Since the very dawn of the human civilization, human race have been facing several epidemics like the Cholera, Spanish flu, Plague, Swine Flu, SARS, Ebola and the present COVID 19. 1st and 2nd wave. These highly infectious and contagious diseases have made life miserable taking thousands of lives of human beings and influenced the social, economic and educational sectors of the entire world. The Corona virus has an adverse impact on the global economy as well as the education realm and India is not an exception. The elementary, secondary and higher education system of our country is severely affected with this deadly disease. Unemployment problem in the country has created economic havoc among a large section of Indian people. The quality of life of the people has been highly influenced by this global pandemic. Thus, at this juncture of grief it is important to venture appropriate mechanisms to mitigate such problems and entrepreneurship is one of the possible solutions to these problems.

### Programme Objectives:

The following are the objectives of the proposed two days webinar.

- To identify the triangular relationship between higher education, entrepreneurship and Sustainable development.
- To analyze the concept, , needs and dimensions of entrepreneurship.
- To highlight the concept, parameters and need of sustainable development and discuss the Sustainable Development Goals (SDG)
- To assess the role of higher education in Promotion of entrepreneurship and sustainable development.
- To chalk out plans and strategies for promotion of entrepreneurship skills and competencies at institutional level.
- To evolve suitable strategies and frameworks for the higher education stakeholders to mitigate the problem of unemployment in 21st century.
