About NEHU

The objectives of the University shall be to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to pay special attention to the improvement of the social and economic conditions and welfare of the people of the hill areas of the North-Eastern region, and, in particular, their intellectual, academic and cultural advancement

North-Eastern Hill University, Tura Campus

NEHU, Tura campus was established in February 1996. At present, Tura Campus has 11 Departments offering PG and PhD courses. The campus began with the establishment of the Departments of English and Garo. The Campus added the Department of Education in 2001 and the Department of Rural Development and Agricultural Production (RDAP) in 2002. The Department of Management started from July 2006. The Departments of Agri-Business Management & Food Technology, Computer Applications, History & Archaeology and Horticulture were sanctioned in 2010. Department of Forestry and Department of Social Work were also established in the campus recently. The total strength of PG students in the campus is 500 and total number of PhD scholars in the campus is 100. NEHU, Tura Campus was established to fulfil the needs of students pursuing higher education within the region and to ensure that opportunities for post graduation education reached the farthest corners of the state. To that end, Tura Campus has fulfilled its objective of being a premier institution for students and scholars from other parts of the state who sought and continue to seek quality higher education.

ABOUT THE DEPARTMENT

History

The Department of Education, NEHU, Tura Campus was established in August, 2001. Since then, it has been offering two years M.A. Programme and Ph.D. Programme in Education.

Profile

The Department of Education, NEHU, Tura formally came into existence from August 2001. In addition to normal post-graduate teaching, the department provides Ph.D. level research programme and carries out various co-scholastic activities such as workshops, seminars, extension lectures, and student group interactions. Faculty members are continuing to work as resource persons in the UGC sponsored Refresher Courses and Staff Orientation Programmers organized by various Universities including NEHU, and chair sessions and present papers in different national and international conferences, seminars, and workshops

About the Seminar:

Education is central for actualizing human potential, creating an inclusive society and promoting national development. The global education development agenda reflected in the Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development, adopted by India in 2015 -seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities for all” by 2030.

As it is fact that NEP-2020 has a vision to reinstate India in the coveted position of the World. This vision needs to create opportunities to the educational Institutions for contributing directly to transforming the country in to the Global Knowledge super power. It aims a multi discipline and Inclusiveness in Education system. To bring our education system at this level needs intellectual discussion, argument through seminars and workshops. The objectives of all these platforms may help to checkout long term, medium term and short term action plans towards navigation the educational landscape of the 21st century. The discourses and findings may help to reach at the objectives of higher education framed by different statutory bodies like UGC, NCTE and other.

Keeping these objectives framed by different bodies in view, Department of Education, NEHU, Tura Campus is planing to organize a Two-day National Seminar on "Navigating The Educational Landscape Of The 21st Century: Challenges And Roadmap Of Nep-2020". The Department hope this proposed 2days will bring marathon discussion and dissemination of knowledge from various stakeholders which may bring valid points for Navigating the educational needs for future. It reach out to maximum number of teachers at pan India level and help in disseminating the knowledge gained through these deliberations. It will help in changing the mind set of the stakeholders which is the first and important step towards planning and implementing the NEP 2020.
